My interest in serving on the Parks, Recreation and Tourism Advisory Board is:

I have a lot of institutional knowledge of the Greenville PRT operations and facilities developed by having served as a Commissioner for the Greenville County Recreation District and subsequently the Greenville County PRT Advisory Board for the majority of the past 20 years. I have developed a passion for the continued growth and success of the PRT across all of the County, and for all of its constituents. I am a good historical resource for the PRT staff and newer Board Members.

Describe your understanding of the position for which you are applying:

The PRT Advisory Board provides support to the PRT staff by offering community insights and outreach. This is a non-governing, advisory board.

Describe your strengths or skills that would positively contribute to the Parks, Recreation and Tourism Advisory Board:

I have volunteered in an administrative and coaching role with youth sports my entire adult life. My role as Club President for CESA since 2005 has provided me with an opportunity to understand youth sports tourism, recreational sports team

organization, volunteer recruitment and management, and the dynamics of serving youth athletes of all different skill levels, and their parents with a variety of perspectives.

My community topics of concern that relate to the Parks, Recreation and Tourism Advisory Board are:

Greenville provides the opportunity for a great quality of life and the County's PRT facilities and operational services to the community are a important part of that quality of life. I am an advocate for continuing to invest in the maintenance and development of these facilities and the PRT staff members that maintain the facilities and provide the services.
