My interest in serving on the Zoning Board of Appeals is:

To have a voice in the decision-making process surrounding zoning. To serve as a voice for residents in Greenville to ensure development of land/properties is within the current guidelines.

Describe your understanding of the position for which you are applying:

The goal of the board is to provide a forum for property owners and developers to challenge decisions that were made by zoning officials.

Describe your strengths or skills that would positively contribute to the Zoning Board of Appeals:

I have been a resident of Greenville my entire life. I feel I would positively impact the zoning board of appeals because I have seen the development of Greenville over the past 50 plus years. Downtown Greenville was once a place you avoided until revitalization and development occurred. Now, downtown has re-energized and all of downtown is filled with people enjoying all the area has to offer.

My community topics of concern that relate to the Zoning Board of Appeals are:

I believe preservation of Greenville and the natural environment are very important. Zoning needs to be enforced to ensure that our land is protected, and guidelines are in place and followed.
