Zoning Docket from November 6th, 2023 Public Hearing

Staff Report

Below are the facts pertaining to this docket:

- The subject property consists of approximately 4.59 acres.
- The subject property is part of the Plan Greenville County Comprehensive Plan, where it is designated as *Suburban Mixed Use*. The subject property is not part of any area or community plans.
- Old Boiling Springs Road is a two-lane State-maintained local road and the parcel has approximately 550 feet of frontage along it. Buena Vista Way is a two-lane County-maintained local road and the parcel has approximately 618 feet of frontage along it. The property is located approximately .2 miles northwest of the intersection of Milestone Way and Pelham Road. The property is not along a bus route. There are no sidewalks in the area.
- Floodplain is not present on the site. There are no known historic or cultural resources on the site. There are no schools located within one mile of the site.
- The applicant is requesting to rezone the property to FRD, Flexible Review District. The applicant is proposing to a Townhome Development.

Project Information:

The applicant is proposing a townhome development with a maximum of 60 units. Units will be a maximum of 2,800 sq. ft.

Proposed Land Uses:

The proposed use for the site is single-family attached residential.

Architectural Design:

The applicant states that the homes will be three and/or three and one half-story. Materials may include brick, stone, and/or fiber-cement boards. Colors will be muted/natural.

Access and Parking:

There will be one entrance off of Buena Vista Way and the applicant is proposing to install a sidewalk along the street. There will be no entrance or sidewalk along Old Boiling Springs Road. A minimum 5' sidewalk will be provided along internal roads. The applicant states that 2 parking spaces will be provided per unit, and there will also be guest parking.

Landscaping and Buffering:

The applicant states that a 20' landscape buffer will be provided adjacent to commercial uses. This will be revegetated in accordance with the GC Land Development Regulations. A 12.5' setback will be provided along all external property lines. The site will adhere to the GC Tree Ordinance. Other common areas may be landscaped.

Signage and Lighting:

The applicant states that signage will comply with the Greenville County Zoning Ordinance. Lighting will meet IESNA full-cutoff standards and not be mounted higher than 16' above finished grade.

CONCLUSION and RECOMMENDATION:

The subject parcel, zoned R-S, Residential Suburban District is located along Old Boiling Springs Road, a two-lane State-maintained local road and Buena Vista Way, a two-lane County-maintained local road. Staff is of the opinion that a successful rezoning to FRD, Flexible Review District to allow a townhome development would be consistent with the Plan Greenville County Comprehensive Plan, which designates the parcel as Suburban Mixed-Use and would not have an adverse impact on the surrounding area.

Zoning Docket from November 6th, 2023 Public Hearing

The development would have to meet the following conditions:

1. Provide revisions to the Preliminary Development Plan and Statement of Intent as listed in the Memo on Comment Responses.
2. Submit Final Development Plan for review and approval prior to the issuance of any land development or building permits.

Based on these reasons, staff recommends approval of the requested rezoning to FRD, Flexible Review District with the aforementioned conditions.
