site. There are no schools located within one mile of the site.

- The applicant is requesting to rezone the property to FRD, Flexible Review District. The applicant is proposing to a Single-Family Residential Development.

Project Information:

The applicant is proposing a single-family detached residential subdivision with a maximum of 13 homes. Homes will be a maximum of 4,800 sq. ft.

Proposed Land Uses:

The proposed use for the site is single-family detached residential.

Architectural Design:

The applicant states that the homes will be two and/or two and one half-story with an attached garage. Materials may include brick, stone, and/or fiber-cement board. Colors will be muted/natural.

Access and Parking:

There will be one entrance off of Old Boiling Springs Road. A minimum 5' sidewalk will be provided along internal roads. The applicant states that 2 parking spaces will be provided per unit.

Landscaping and Buffering:

The applicant states that a 20' landscape buffer and 25' building setback will be provided along all external property lines. Home lots will not expand into these areas. The site will adhere to the GC Tree Ordinance. Other common areas may also be landscaped.

Signage and Lighting:

The applicant states that signage will comply with the Greenville County Zoning Ordinance. Lighting will meet IESNA full-cutoff standards and not be mounted higher than 25' above finished grade. 15' will be the minimum mounting height.

CONCLUSION and RECOMMENDATION:

The subject parcel, zoned R-S, Residential Suburban District is located along Old Boiling Springs Road, a two-lane State-maintained local road. Staff is of the opinion that a successful rezoning to FRD, Flexible Review District to create a single-family detached development would be consistent with the Plan Greenville County Comprehensive Plan which designates the property as Suburban Neighborhood and would not have an adverse impact on the surrounding area.

The development would have to meet the following conditions:

1. Provide revisions to the Preliminary Development Plan and Statement of Intent as listed in the Memo on Comment Responses.
2. Submit Final Development Plan for review and approval prior to the issuance of any land development or building permits.

Based on these reasons, staff recommends approval of the requested rezoning to FRD, Flexible Review District with the aforementioned conditions.
