Dear Ms. Stumpf:

This is to inform you that your request for the Hazards Material Emergency Preparedness Grant (HMEP) funding has been approved in the amount of \$20,000.00 for activities as specified in the grant award.

Two copies of the award for this grant are enclosed. Please read and sign both awards and return one to the office within **60 days** of receipt. A signed award must be received before expenditures will be reimbursed.

**The funds for this grant must be obligated by August 31, 2024.** It is critical that the counties adhere to this deadline, so that funds do not have to be returned to the US Department of Transportation at the end of the fiscal year. In addition, each LEPC will be required to adhere to the grant requirement to complete progress reports.

Please submit copies of paid invoices, proof of payment and a summary of expenses on the Grant Request for Reimbursement form, upon completion and payment of services. *Any request for reimbursement received after **September 10, 2024**, may be subject to nonpayment.* If the 20% "in-kind" match is not a cash match, certify the manner in which this requirement has been met. A brief summary of your project(s) should also be included.

Thank you for taking part in what we feel will be a very useful, productive program that will improve our HAZMAT incident management and response capabilities.

If you have any questions, please contact SCEMD Training Manager, Louis Walter at (803) 737-8849.

Sincerely,

A handwritten signature in black ink, appearing to read "Kim Stenson".
