The applicant is proposing a single-family detached residential development.</li> </ul> <p><b>CONCLUSION and RECOMMENDATION:</b></p> <p>The subject parcel, zoned R-S, Residential Suburban District is located along Griffin Mill Road, a two-lane State-maintained collector road. Staff is of the opinion that a successful rezoning to R-15, Single-family Residential District would be consistent with other approved rezoning requests along Griffin Mill Road. The potential residential density of 2.9 units per acre would be less than what is called for under the comprehensive plan designation of <i>Mixed Employment Center (3-8 units/acre)</i>, and only slightly above what is called for under the South Greenville Area Plan designation of <i>Rural Residential (1-2 units/acre)</i>.</p> <p>Based on these reasons, staff recommends approval of the requested rezoning to R-15, Single-family Residential District.</p>
<b>P&amp;D</b>	<p>At the February 5, 2024 Planning and Development Committee meeting, the Committee decided to deny the rezoning request to R-15, Single-Family Residential District due to lack of existing infrastructure</p>
