Re: *Petco Love AWO Unrestricted Grant 2024*

Greenville County Animal Care was awarded a \$90,000 lifesaving investment grant from Petco Love on April 1, 2024. There are no restrictions on use other than it must be used for life-saving purposes and that we follow the requirement of the grant agreement related to municipal organizations that states:

Municipalities are reminded that, per the certification you agreed to during the application process, funds donated shall not supplant or replace existing government funding, may not be appropriated to the general funds of the municipality, but rather must be utilized and become an additional part of the funding of the animal control sheltering department.

This grant funding request does not require a matching grant from the County.
