

State of South Carolina,
County of Greenville.

Whereas, I, the undersigned, did heretofore execute unto the predecessors in title of Southern Public Utilities Company, certain deeds and releases, which among other things permitted the erection of the dam with the addition thereto by Greenville-Carolina Power Company on Saluda River; and

Whereas, the backwaters from said dam has not only covered the area of land originally contemplated, but in the course of time has so operated as to cut off from the mainland by water and mud a certain portion of my land containing 17 acres, more or less; and

Whereas, Southern Public Utilities Company, while insisting that I have no claim, has, nevertheless, agreed to pay the sum of Fifty (\$50.00) Dollars in full settlement of any claim, which I now have or hereafter may have by reason of the erection and maintenance of said dam and addition

Now, Therefore, Know all men by these Presents, that I for the consideration of Fifty (\$50.00) Dollars, to me in hand paid by Southern Public Utilities Company the receipt whereof is hereby acknowledged have released and do hereby release said Southern Public Utilities Company, its Successors and Assigns from all claims and demands of whatsoever character, which I now have or which may hereafter accrue to me, my heirs or assigns, by reason of any damage past or future arising or to arise from the operation and maintenance of said dam and addition.
