and to construct, maintain and operated in, upon and	through said premises, in a proper manner, with
poles, wires and other necessary apparatus and app	liances, a line for transmitting power by electric-
ity, and for telephone purposes, together with the	right at all times to enter said premises for the
purpose of inspecting said line and making necessary	ary repairs and alterations thereon, together with
the right at all times to cut away and keep clear of	said line all trees and other obstructions that may.
in any way, endanger the proper maintenance and o	operation of the same; also including the right to
relocate said line over said premises to conform to	any future highway relocation, widening or im-
provement.	,
