RENDERED
UNFIT

(10) Lessor agrees at Lessor's own cost and expense to keep the service station well painted in accordance with specifications of Lessee at all times and at least each third year during the term of this lease if in the opinion of Lessee it requires painting and to make promptly any and all repairs to the demised property including (but not limited to) repairs and improvements required by public authority. In case the premises in Lessee's opinion are rendered unfit for operation as a drive-in gasoline service station by reason of fire, storm, explosion or any other cause, no rental shall accrue or is to be paid from the beginning of such unfitness until the property is put into tenantable condition by Lessor and Lessee is able to and does occupy said premises for the purposes herein described. If Lessor defaults in painting or in making any such repairs, improvements or restoration, Lessee may at its option either terminate this lease upon written notice or Lessee may have the necessary painting and repairs done for the account of Lessor, and Lessor shall pay Lessee, upon demand, the expense thereof. If Lessor fails so to reimburse Lessee for the expense of such painting or repairs, Lessee may deduct from any rentals payable hereunder as they accrue such amounts as may be necessary to fully reimburse Lessee.

terminate without further liability on the part of Lessee, or the rent hereunder shall be reduced in proportion to the reduction in the area of the premises, but nothing herein shall be deemed a waiver of the sole right of Lessee to any award for damages to it or to its leasehold interest caused by such taking, whether made separately or as part of a general award.
