

wire, or any part thereof, shall be installed at a distance greater than twenty-five (25') feet from the pole to which it is fastened.

The Grantor further agrees that all poles, wires and other facilities, including any main service entrance equipment, installed on the above-described lands at the Cooperative's expense shall remain the property of the Cooperative, removable at the option of the Cooperative upon termination of service to, on, or over and beyond said lands.

IN WITNESS WHEREOF, the Grantor has caused this instrument to be signed, sealed and delivered in its corporate name by its duly authorized officers as of the 21st day of April, 1958.

In the presence of:

J. C. Simmons  
Hynd S. Aiken
