

The grantee agrees that the within right-of-way is given upon the following conditions, to wit:

That the grantee will:

- (1) Not construct a manhole on property of grantor.
- (2) That cast iron pipes will be used in the construction of any sewerage over property of grantor and that cast iron pipe will be used in any addition or enlargement to said line over property of grantor.
- (3) The grantee will leave a place for grantor to tap said sewerage line for her personal use on her property.
- (4) Trees removed will be relocated by the grantee. Any trees that are killed in the process of construction or removal will be replaced by trees of same type and size wherever practical.
