

shall not interfere with the proper maintenance and free access to the pipe line to be installed under this agreement. No buildings or other structures shall be placed on said right of way.

It is further understood that the Grantor is to have the right to place fill on the right of way granted herein to the present level of the existing highway shown as Mauldin Road on the attached drawing, such fill to be composed of dirt and stone. Any stone or boulders used in said fill shall not exceed 8 inches in diameter on that portion of the right of way granted herein lying 7½ feet from the center of each side of the pipe line as laid. Grantor agrees to give Grantee notice prior to the placing of any fill on the said right of way.

The payment above specified covers compensation for the easement of the right of way, and also covers all claims for damages, along said right of way resulting from construction of the pipe line to be laid.

The undersigned agrees to release and give to THE CITY OF GREENVILLE, SOUTH CAROLINA, immediate actual physical possession of the premises above described.

IN WITNESS WHEREOF, the said Grantor herewith set his hand and seal this the 19th day of March, in the year of our Lord One Thousand Nine Hundred and Sixty Eight and in the One Hundred Ninety-Second year of the Sovereignty and the Independence of the United States of America.
