

failure of the County to complete the Project, any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of South Carolina or any political subdivision of either thereof, or any failure of the County to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Agreement. Nothing contained in this Section shall be construed to release the County from the performance of any of the agreements on its part herein contained; and in the event the County shall fail to perform any such agreement on its part, the Lessee may institute such action against the County as the Lessee may deem necessary to compel performance so long as such action does not abrogate the Lessee's obligations contained in the first sentence of this Section 5.6. The Lessee may, however, at its own cost and expense and in its own name or in the name of the County, prosecute or defend any action or proceeding or take any other action involving third persons which the Lessee deems reasonably necessary in order to secure or protect its rights of possession, occupancy and use hereunder, and in such event the County hereby agrees to cooperate fully with the Lessee and to take all action necessary to effect the substitution of the Lessee for the County in any such action or proceeding if the Lessee shall so request.
