

7. On all lots, the main building or dwelling shall face toward the front lot line, with the exception of buildings to be constructed on corner lots wherein if possible, dwelling shall face the corner. This provision requiring facing the corner shall be subject to review and approval of the architectural committee, as hereinafter set forth.

8. No house shall be constructed in this subdivision on the above restricted lots having less than 1,000 square feet, outside dimensions, exclusive of basements, carports, garages, porches, breezeways or patios.

9. No concrete blocks, cinder blocks or similar type building material or asbestos shingle siding, shall be used in connection with the construction of any buildings erected upon said lots, so that said materials are visible from the outside of said building.

10. No noxious or offensive trade or activity shall be carried on upon any of said lots, nor shall anything be done thereon, which may be or become an annoyance, or nuisance or menace to the neighborhood; nor which shall violate any municipal, County or State ordinance; nor shall any use for business or commercial activities be permitted.

11. No trailer, basement, tent, shack, garage, barn or other outbuilding erected upon said lots shall at any time be used as a residence, either temporarily or permanently, nor shall any structure of a temporary character nor any structure which is unfinished or uncompleted be used as a residence. No house trailer or mobile home shall be placed on any of said lots, either temporarily or permanently, unless the same shall be stored in a closed building so as not to be visible from outside of said building.

12. No fence of any type, wall or hedge shall be erected on any of said lots in front of the front wall of the dwelling located thereon which shall exceed three feet in heights. All fuel oil tanks, gas tanks and other storage containers used in connection with a dwelling shall be placed underground or placed in an outbuilding, consistent with normal safety precautions, so that said tanks or containers shall not be visible.

13. All sewerage disposal shall be by septic tank until municipal sewerage disposal is available and shall meet the approval of the local and State Board of Health.

14. If said lots are subsequently re-cut and re-subdivided, no residence shall be constructed on such re-subdivided property or any lot or portion thereof which is smaller than the smallest lot shown on the above referred to plat. Nothing herein contained shall be construed to prohibit the use of more than one lot or portions of one and more lots as a single residence building site, provided that said lot would otherwise meet the requirements as to size, set-back, and directional facing of said dwellings.
