Travelers Rest City Planning Commission
117 N. Poinsett Highway
Travelers Rest, S.C. 29690

C-E-R-T-I-F-I-C-A-T-E

This certificate, by the Travelers Rest City Planning Commission, is to acknowledge that the Commission has determined there is good and just reason to change the name of Howard Street to Wilhelm Winter Street in honor of the late Wilhelm Winter, who directed The Winter Group for many years and supported the expansion of the Winter Group into the United States and more specifically into Travelers Rest.

A Public Hearing was duly advertised and conducted on September 13, 1982, at Travelers Rest City Hall with no opponents to the change being in attendance. Consent to the change was received by letter from adjacent property owners and members of the Howard family.

Approved September 14, 1982.
