

Regarding Right of Way on Frederick H. Parris and Sherry C. Parris:

Additional Special terms and conditions under Item 5:

- 3. Do not cut any more trees than absolutely necessary on this property. Any small dogwood trees in right-of-way to be dug up and reset at direction of owner after completion of work.

Wood to be cut into 4' lengths and stacked on property at back of house.
- 4. District to compensate owner \$100.00 for trees that have to be removed during construction.
- 5. Property to be restored after construction to original condition. (as nearly as possible).
- 6. Tap fee will be \$300. Must be paid within 6 months after service becomes available. After that period of time, fee will increase.
