Re: Advance Office Building

Gentlemen:

On August 22, 1972, we issued our final billing to you on the above job. Since that time, we have received another invoice that covers work completed on that job. The invoice from Engineered Specialties, Inc. in the amount of \$878.00, covers the cost of glazing the windows that you had previously ordered and we installed.

We are very sorry for this late invoice and would appreciate very much you adding it to our final bill, making the total amount due NINETEEN THOUSAND ONE HUNDRED FOUR DOLLARS and SIXTY TWO CENTS (\$19,104.62).

Per your instructions, we have enclosed the invoice.

Very truly yours,

MORRIS CONSTRUCTION COMPANY
