

Oil circuit breaker, Type Fk-20- T-PST; rating of breaker, 200 amp., 2500 volts, overload coil amp. rating 200; Cat. No. 167394, for street lights	-
Oil circuit breaker, Type KF-20-T-PST. rating of breaker, 2500 volts, 300 amp., overload coil amp. rating 250, under voltage release 110-550 V., 25-60 for house lights	6
Power wiring and installation (Lot)	-
Motor supports, shafting, and belting	-
HYDRO-ELECTRIC PLANT	
Stone masonry dam, complete with flash board, racks, gates, hoists, etc. (Lot)	1912
Flume 6' diam 540' long, $\frac{1}{4}$ " steel plat, complete with concrete and masonry piers (Lot)	-
Horizontal water wheel, 400 hp, 387 rpm, completely reworked in 1927	1905
Water wheel governor, Type R -Lombard	1913
Horizontal generator, 300 kw, 2300 volts, 450 rmp, Type ATB, with 15 hp belted exciter and single panel switchboard. Belted to water wheel - G. E. (Lot)	-
Transmission line to mill, 2300 volts (Lot)	-
Superstructure, frame, galv. iron siding and roof, 1320 sq ft	-
Generator foundations (Lot)	-
MILL YARD IMPROVEMENTS	
Stone retaining walls (Lot)	-
Wooden platforms (Lot)	-
<u>OUTSIDE FIRE PROTECTION</u>	
Steel tank, 50,000 gal. on 30' tower	1928
Hydrants and hose houses, complete (3 units)	1928
Dry pipe valve and pit (Lot)	1928
Underground pipe and fittings (Lot)	1928
Centrifugal pump, 2-stage, direct connected to 5 hp meter - Westinghouse	1928
VILLAGE IMPROVEMENTS	
Dug wells (5 units)	-
Hand pumps, $1\frac{1}{2}$ " suction (5 units)	-
Pipe from well to office, Superintendent's house and well (Lot)	-
