

That, together with and in addition to the monthly payments of principal and interest payable under the terms of the note recited hereby, he will pay to the Mortgagor on the first day of each month until the said note is fully paid, the following sum:

**A** second approach to the problem of the relationship between the two types of models is to consider the case where the two models are identical. This is done by setting  $\alpha = \beta = 0$  in the equations of motion of the two models.

1 It is understood and agreed that the instrument of ratification or acceptance by either party of the  
National Health Act will not be made public until the time of the signing of the instrument of ratification or acceptance by  
the two countries. The instrument of ratification or acceptance by either party will be delivered to the  
Secretary of the National Health Act and the Director of the National Health Act, respectively, and kept  
in their respective offices.

II. If the above conditions are met, the said instrument are held by the Secretary of H. C. and the Other Delegates with full charge, in trust, for the State Government, which shall be an unbroken part of the said instrument, and shall be presented to the Secretary of State for safe-keeping, with the following certificate:

A copy of each of the contracts of sale made by the grantor that will vest in the grantee and payable in full or in part at the time of sale, including the amount of principal, taxes and assessments due for the balance of principal and taxes and assessments due for the period from the date of sale to the date of completion of the sale, and the date when payment of principal, taxes and assessments will become delinquent, shall be furnished to the M. Stewart, Inc. at least one month prior to the date of sale, and all documents, and all documents made available to the buyer under this paragraph and all agreements to be made under the note and security shall be signed by the grantor and there shall be paid by the M. Stewart, Inc. in such a manner as agreed to be applied to the M. Stewart, Inc. in full satisfaction of the note and other.

For more information about the program, contact the state's office of the state auditor.

### 3.2. Effects of the rotation field

**NAT SPC**  
Any delinquent payment shall, unless made prior to the Maturity Date to the Mortgagor prior to the date of the payment, be deemed a default under this mortgage. The Mortgagor may collect a late charge of one percent (1%) per month on all amounts due after the due date, plus \$10 of each payment more than fifteen (15) days in arrears to cover the expense of collection, service and attorney's fees.

3. if the total of payments made by the Mortgagor under (b) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagor for taxes or assessments or insurance premiums as the case may be such excess, if the same is current at the option of the Mortgagor, shall be treated as subsequent payments to be made by the Mortgagor, or refunded to the Mortgagor. If however the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay taxes and assessments and insurance premiums when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagor any and all necessary to make up the deficiency, on or before the date when payment of such taxes, assessments or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagor, in accordance with the provisions of the note secured hereby, full payment of the cause indebtedness represented thereby, the Mortgagor shall, in computing the amount of such indebtedness, credit to the amount of the Mortgage all payments made under the provisions of (a) of paragraph 1 hereof which the Mortgagor has not become obligated to pay to the Secretary of Housing and Urban Development, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby, if the property so sold does not sell after default, the Mortgagor shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise disposed, the balance then remaining in the funds accumulated under (b) of paragraph 1 hereof, plus an interest on the amount of principal then remaining unpaid under the note secured hereby, and if property other than the premises subject to this note remains under the terms of paragraph 2

4. The State Board of Education may require the State Auditor to audit the financial statement of municipal districts, cities, towns, and school districts, and other governmental or nongovernmental units, to determine if the Auditor may pay assessments of taxes, fees, or charges levied by such units to the Auditor, and if the Auditor may pay assessments of taxes, fees, or charges levied by such units to the Auditor, and if the Auditor may pay assessments of taxes, fees, or charges levied by such units to the Auditor.

the following year, he was appointed to the rank of captain and assigned command of gunboat No. 12, which he commanded during the remainder of the Civil War.

that have been used in the past. The new system will be able to identify differences and similarities between different types of data, and offer solutions to problems and challenges that arise during the process of data analysis.
