RE: Account #3-11-749

Dear Mr. Blackmon:

This is to confirm our telephone conversation of earlier today with regard to the error and the incorrect satisfaction of the mortgage document contained in your mortgage loan file with our association. As I explained, the mortgage on your property was incorrectly satisfied and forwarded to the office of the Register of Mesne Conveyance to be removed from public record. An error was subsequently found and the Register of Mesne Conveyance office was put on notice as to the error. We want to bring this error to your attention as a satisfaction and cancellation of same will appear on your documents when your property is paid in full at a future date. We would ask that you acknowledge that you have been made aware of this error and the cancellation of this satisfaction by your signature at the space below. Please return this signed acknowledgment in the enclosed envelope.

We are sorry to cause this inconvenience for you and will be most happy to answer any questions you might have with regard to this error. Your kind attention will be appreciated.

Sincerely,

Hayward M. Thompson, Jr.
