to see you the 11th of 1975
Regarding Power Attorney to my knowledge we
did not negotiate one before I left U.S. Only
another power to fore close on mortgages.

Possibly one with CTS. But I'm not certain.
Hope these will suffice. J.P. up here do
not have real only signatures.

Please let me know the balance on
hand there after Haguenia payment is
received and its disposition.

Things still much the same here
economy-wise. Bad without relief.
Inflation rampant. Costs ridiculously
out of proportion. Better day tomorrow.

Many thanks. Best wishes & regards
to all.

Truly,
Harold L. Powell
