Dear Sir:

IN RE: DEED 45 acres H.B. Stewart to
David D. Stewart.

On May 15, 1935 a deed was filed in your office by H.B. Stewart to me for a tract of 45 acres on the Neely Ferry Road. It was found that the description in this deed was not full enough and therefore the enclosed deed has been executed to take the place of the deed which you have.

Will you please therefore not record the deed which you have but record this deed in place of it.

Thanking you, I am

Yours very truly,

David D. Stewart
