Mrs. Ollie M. Farnsworth,  
Register of Mesne Conveyances,  
Greenville, S. C.

Dear Mrs. Farnsworth:

In the deed from City of Greenville to Greater  
Greenville Sewer District Commission, to which this  
letter is attached, my opinion is that no stamps are  
required, both the grantor and the grantee being  
municipal corporations.

Yours very truly,

  
County Attorney.
