Mrs. Ollie S. Farnsworth  
R.M.C. Office  
Greenville County Courthouse  
Greenville, South CarolinaRe: Deed from Cauthen-Parker, Inc.  
to Yeargin Construction Company

Dear Mrs. Farnsworth:

As you recall yesterday you recorded for us a deed which was dated May 7, 1969 involving the above parties. The consideration on the deed is listed as "for and in consideration of the execution of Agreement between Cauthen-Parker, Inc. and Yeargin Construction Company dated May 7, 1969". As I advised, we are uncertain about stamps and plan to take this matter up with the Attorney General's office. You agreed to record the deed with this understanding and I am sending you this letter in confirmation of the same.

Thank you very much for accommodating us in this matter.

Yours very truly,

*Don Ferguson*
