

the owner has the same privilege and right as he now has to cultivate and use the land, provided, however, this shall not apply to such part wherein the top of the pipe is less than eighteen (18) inches underground.

It is further agreed as a part of the consideration hereof that the grantors herein, their heirs and assigns may make taps or connections with said pipe line at their expense, provided, however, that such connections or taps be made only under the supervision and rules of the engineer representing Greater Greenville Sewer District Commission.

It is further agreed that the grantee shall construct a manhole in Grove Road with outlets for connecting lateral sewer lines on both sides of the main trunk line, and shall make necessary connections between the existing lateral sewer lines and the new trunk sewer line without cost to the grantor.

It is further understood and agreed that in case of future damage to crops or property due from any accident in said pipe line that Greater Greenville Sewer District Commission shall pay reasonable damage therefor.

The payment and privileges above specified are hereby accepted in full settlement of all claims and damages for said easement.
