and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree	t_lines_N39.15_W630 n_on_said_line;_thence_ less,_to_an_iron_pin;_t _pin_in_said_Greenville e_along_the_center_of_s _Ne3_on_a_plat_of_pro dated_Sept.,_1932. e_that_each_shall_contr	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Es	of terly th- eing tate
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extended	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932.  e that each shall contraining from the Old Green	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estimate a strip of land 10 feet	of  berly  ch-  eing  ning  state  wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extend J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extended.  J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the results of the straight line and to the results of the straight line as trip of the straight line as the strip of the straight line as the strip of the strip o	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extended.  J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extend J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extend J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extended.  J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extend J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extend J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extend J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, Grantor and Grantee agree along their common line extend J. B. Smith residence, making	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
and runs thence with the join Childress land, to an iron pindirection 190 feet, more or easterly direction to an iron 630 feet, more or less; thence corner, being a part of tract by H. S. Brockman, Surveyor, of Grantor and Grantee agree along their common line extend J. B. Smith residence, making a roadway and for the benefit	t lines N. 39.15 W. 630 non said line; thence less, to an iron pin; t pin in said Greenville a along the center of s No. 3 on a plat of prodated Sept., 1932. e that each shall controling from the Old Green in all a strip 20 feet	feet, more or less, with line a straight line in a northeast hence a straight line in a sout -Spartanburg Road, said line be aid road 230 feet to the beginn perty made for J. N. DeYoung Estibute a strip of land 10 feet ville-Spartanburg Road to the name in width, the same to be used	of cerly ch- cing ning state wide
