

successors and assigns forever. It is understood that on the completion of the road along said right-of-way, the Airport Commission will thereupon convey same to the City of Greenville, S. C. as a public road, or street 50 feet in width.

3. As part of the consideration for the foregoing right-of-way, the Grantee or the Party of the Second Part agrees to remove a small building situate near the Airport Road on said right-of-way to the northeast intersection thereof at a point to be designated by the Party of the First Part. Further, a small building along and partially on the eastern boundary of said right-of-way shall likewise be moved back at a point designated by the Party of the First Part. Further, the Party of the Second Part shall construct or have constructed adequate underground drainage across and along the western edge of said right-of-way and will grade and construct or have graded or constructed a road with a twenty foot bituminous pavement which will join with a continuation of said road along and over the property of the Airport Commission ultimately extending around the southern extension of the north south runway. It is understood that in constructing the road, the grades will be laid so as not to leave embankments along the western boundary of said right-of-way above granted.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals this the day and year first above written.
