

a point at the pump house on the northwest side of Laurel Creek.

It is further understood and agreed that the right-of-way to be used hereunder for the construction and maintenance of an electrical power line shall commence at the center of the Duke Power Company line northwest of Laurel Creek and running thence in a southerly direction 237.5 feet; thence southeasterly, approximately 50 feet to the pump house.

A plat prepared by Dalton & Neves, Engineers, June 1953, recorded in the R. M. C. Office for Greenville County, S. C., in Plat Book "EE", at Page 29, will more particularly show the location of the right-of-way for the four inch water main, the right-of-way for the 20 foot roadway, the right-of-way for the electrical power line, and the location of the water pump, pump house, intake crib, and catch basin, covered by this agreement.

The payment hereinabove specified covers compensation for the easements or rights-of-way herein granted and also covers all claims for damages along said rights-of-way resulting from the construction of the water pipe line, roadway, power lines, and pumping station.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 18<sup>th</sup> day of July, 1953.

IN THE PRESENCE OF:

Riley Pendergrass (LS)

Charles V. Hendrix  
Bobbie Abraham

STATE OF SOUTH CAROLINA )  
COUNTY OF GREENVILLE )

PERSONALLY appeared before me Charles V. Hendrix and made oath that he saw the within named Riley Pendergrass sign, seal and as his act and deed deliver the within written instrument, and that he with Bobbie Abraham witnessed the execution thereof.

SWORN to before me this 18<sup>th</sup> day of July, 1953.

Charles V. Hendrix

[Signature] (LS)  
Notary Public for South Carolina
