

(Miscellaneous Provisions)

(12) As soon as practicable after the execution of this Agreement,

(Meeting of Stockholders)

(12) (a) Each party shall call a meeting of its stockholders to pass upon the within Agreement. Each party agrees forthwith to furnish the other with the material and information concerning each company required for inclusion in the Proxy Statement of each company for such meeting of stockholders and in the letter to stockholders of each company requesting consent to the within merger.

(Examination of Books)

(13) AMI undertakes and agrees that, from time to time and at all reasonable times subsequent to the execution of this Agreement, Fidelity and Park, severally, and its officers, attorneys, accountants and representatives shall be permitted to examine the property, books and records of AMI and its titles to real estate, and that such officers, attorneys, accountants and representatives shall be afforded free access to such property, books, records and titles, and AMI agrees that it will upon request furnish Fidelity and/or Park with any information reasonably required in respect to such property, assets and business; and

Fidelity undertakes and agrees that, from time to time and at all reasonable times subsequent to the execution of this Agreement, AMI and Park, severally, and its officers, attorneys, accountants and representatives shall be permitted to examine the property, books and records of Fidelity and its titles to real estate, and that such officers, attorneys, accountants and representatives shall be afforded free access to such property, books, records and titles, and Fidelity agrees that it will upon request furnish AMI and/or Park with any information reasonably required in respect to such property, assets and business; and

Park undertakes and agrees that, from time to time and at all reasonable times subsequent to the execution of this Agreement, AMI and Fidelity, severally, and its officers, attorneys, accountants and representatives shall
