

5. No lot or tract will be re-cut or further subdivided, to face in any direction other than toward Enoree Road.

6. All sewerage disposal will be by septic tanks which will meet the approval of the State Board Of Health, or by municipal or other public sewerage disposal system.

7. An easement 5 feet wide, for the installation and maintenance of utilities, and for drainage, is reserved along each interior side lot or tract line, so that $2\frac{1}{2}$ feet of the easement is on each lot; and, an easement 5 feet wide, for the same purposes, is reserved along the eastern boundary line and the western boundary line of the Subdivision, so that the entire 5 feet is along the eastern lines of Lots 9, 8, 7, 6, and 5, and the western line of Lot 1.

8. No barn, separate garage, shed, shack, tent, basement, or other outbuilding will be used as a residence, temporarily or permanently; and, no structure of a temporary character will be used as a residence.
