

ELECTRIC LINE RIGHT-OF-WAY EASEMENT

STATE OF SOUTH CAROLINA

COUNTY OF Greenville

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned, ~~(MILLIKEN COMPANY)~~ Milliken Company
(Gayley Mill)

~~hereinafter referred~~ hereinafter referred
to as "Grantor," in consideration of the sum of One dollar

(\$1.00) Dollars in hand paid by Blue Ridge Electric Cooperative, Inc., whose principal office is in Pickens,
South Carolina, (hereinafter called the "Cooperative"), the receipt of which is hereby acknowledged, and other valuable
considerations do hereby grant unto the Cooperative, its successors, lessees and assigns, the perpetual right, privilege,
and easement:

(a) To go upon the tract of land of the Grantor, containing 945⁺ acres, on Road SC 288, situate about
four miles in the West direction from the town of Marietta
and being bounded by lands owned by W. T. Batson, Jr., Helen Louise Bose and Dewey Leslie
on the West; North, Marietta Baptist Camp and Dr. George Wilkerson, Jr.; East, A. N. &
E. E. Stone and others; South, South Saluda River.

(b) To construct, reconstruct, locate, relocate, operate, maintain and repair in, upon, over, under and through
said land, within a right-of-way strip of the width of 30 feet, and/or in, upon, under, over or along
all streets, roads, highways, or waterways thereunto abutting, in a proper manner, with poles, towers, struc-
tures, overhead and underground wires and other necessary fixtures, apparatuses and appliances, electrical trans-
mission and or distribution lines or systems, for the purpose of transmitting and or distributing electricity by
one or more circuits and of carrying wires of the Cooperative or any lessee thereof; **this easement to be located**
on the south side of S. C. Hwy. 288 with the power line to be located approximately 34 feet
from the center line of said Highway.

(c) To enter upon said land at any time for the purpose of inspecting said lines and facilities and making neces-
sary repairs and alterations thereof;

(d) To make such changes, alterations and substitutions in said lines, facilities or structures from time to time as
the Cooperative deems advisable or expedient;

(e) To, by mechanical or chemical means or otherwise, keep and maintain a right-of-way clear of all structures,
trees, stumps, roots, shrubbery and undergrowth, (except ordinary fences), along said lines, facilities or structures
for a space 30 feet in width; and

(f) If an overhead line is constructed, to cut or fell any tree outside of said right-of-way herein granted, which, in
the opinion of the Cooperative or its representative(s), constitutes a hazard to or may endanger the safe and
proper operation or maintenance of said lines, facilities or structures, a danger tree being any tree whose height
plus five feet is equal to or greater than the distance from the base thereof to a point on the ground directly
beneath the nearer side of the nearest conductor or to the nearest conductor itself.

The Grantor agrees that all lines, facilities, structures and related apparatuses and appliances installed on the above des-
cribed land by the Cooperative or its representative(s) shall be and remain the property of the Cooperative, removable
or replaceable at its option; and that the Grantor will not construct any structure (other than ordinary fencing) within
the cleared portion of said right-of-way, except upon the prior agreement thereto by the Cooperative in writing.

The Cooperative agrees that in locating or relocating and installing its structures and anchors, it will endeavor to take
advantage of roadways, streets, ditches, hedgerows, etc., so as to cause the least interference to the Grantor and his
use of said land; and that if, in the construction of said lines, facilities or structures, any injury is necessarily done to
crops, fences, bridges or roads, it will repair or replace such fences, bridges or roads, and will pay the Grantor for in-
jury to such crops.

Grantor reserves all other rights to said strip of land not inconsistent with the right and easement above set out, except
that Grantor agrees that no wells shall be dug on said strip; that no septic tank, absorption pits, or underground stor-
age tanks shall be placed on said strip; that no building or other structure shall be erected thereon; and that said strip
shall not be used for burial grounds.

This Right of Way easement is granted with the understanding that the existing easement on
the same property will be abandoned between points A & B shown on the attached exhibit after
the re-location of the existing electric power line, no later than December 31, 1978, and
all equipment will be removed prior to abandonment.
