

7. It is agreed that said sewer charge shall be a lien against said real estate, which lien shall be valid and binding for a period of ten years after the due date thereof. Said lien shall be prior and superior to all other liens except liens for county taxes. In the event the said charge is not paid when due, the City of Mauldin shall have the right to foreclose its lien and sell said real estate at public auction and apply the proceeds from such sale to the payment due on account of said sewer charge. Such foreclosure proceeding shall be brought in the County Court for Greenville County or Court of Common Pleas. The City of Mauldin shall make all persons claiming any interest in or lien to said real estate as parties to said action and said proceedings shall be similar to proceedings for the foreclosure of a mortgage lien. In the event of foreclosure, the City shall have the right to add all costs including a reasonable attorneys fee to said sewer charge, which shall be paid out of the proceeds of sale. The City agrees to give notice of intention to foreclose to any mortgage holder thirty days prior to the commencement of such action.

8. This instrument is to be recorded and shall be binding on all persons owning or purchasing real estate in the area described in Paragraph 3 hereof and shall be binding on all subsequent owners of said real estate or any person or firms claiming a lien thereon or interest therein.

9. In the event the real estate described in Paragraph 3 is ever offered the opportunity to come into the City of Mauldin, then it is agreed that said property shall forthwith be annexed to and become a part of the City of Mauldin and the property owners will sign any necessary documents to accomplish said annexation. The said property owners further agree not to become a part of any public service or special district for sewer service purposes. Any breach of this paragraph shall entitle the City of Mauldin to discontinue sewer service to said area.
