TOGETHER with the appurtenances and all the estate and rights of the said Mortgagor [2], in and to said premises

AND IT IS COVENANTED AND AGREED by and between the parties hereto that all gas and electric fixtures, radiators, heaters, engines and machinery, boilers, ranges, elevators and motors, bath-tubs, sinks, water-closets, basins, pipes, faucets and other plumbing and heating fixtures, mirrors, mantels, refrigerating plant and ice-boxes, cooking apparatus and appurtenances, and such other goods and chattels and personal property as are ever furnished by a landlord in letting or operating an unfurnished building, similar to the one herein described and referred to, which are or shall be attached to said building by nails, screws, bolts, pipe connections, masonry, or in any other manner, are and shall be deemed to be fixtures and an accession to the frechold and a part of the realty as between the parties hereto, their heirs, executors, administrators, successors and assigns, and all persons claiming by, through or under them, and shall be deemed to be a portion of the security for the indebtedness herein mentioned and to be covered by this mortgage.

TO HAVE AND TO HOLD the said premises and every part thereof with the appurtenances unto the said Mortgagee, its successors, legal representatives and assigns forever.

PROVIDED ALWAYS, that if the said Mortgagor heirs, executors, administrators, successors or assigns, shall pay unto the said Mortgagee, its successors or assigns, the said sum of money mentioned in the condition of the said bond or obligation, and the interest thereon, at the time and in the manner therein specified, then these presents and the estate hereby granted shall cease, determine and be void.

AND the said Mortgagee, its successors, legal representatives or assigns, shall also be at liberty, immediately after any such default, upon a complaint filed or any other proper legal proceeding being commenced for the foreclosure of this mortgage, to apply for, and the said Mortgagee shall be entitled as a matter of right, without consideration of the value of the mortgaged premises as security for the amounts due the Mortgagee, or of the solvency of any person or persons bended for the payment of such amounts, to the appointment by any competent Court or Tribunal, without notice to any party, of a Receiver of the residence of the said premises with power to lease the said premises, or such part thereof as may not then be under lease, and with such other powers as may be deemed necessary, who, after deducting all proper charges and expenses attending the execution of the said trust as Receiver, shall apply the residue of the said cents and profits to the payment and satisfaction of the amount may exist after applying the proceeds of the said premises to the payment of the amount due, including interest and the costs and a reasonable attorney's fee for the foreclosure and sale; and said principal and interest, or any tax, assessment, water rate, or insurance, pledged and assigned to the said Mortgagee, its successors or assigns, who shall have the right forthwith after any such default to enter upon and take possession of the said mortgaged premises and to let the said premises and receive the rents, issues and profits thereof, and apply the same, after payment of all necessary charges and expenses, on account of the amount hereby secured.

AND it is covenanted and agreed by and between the parties to these presents that the whole of said principal sum shall become due at the option of the said Mortgagee, its successors, legal representatives or assigns, after default in the payment of interest for thirty days or after default in the payment of any tax, assessment or water rate for sixty days after the same shall have become due and payable, or after default in the payment of any installment hereinbefore mentioned or immediately upon the actual or threatened demolition or removal of any building erected on said premises.
