TO BAKE AND TO FOLD all and wrap the cake pieces into the Meringue. This is how I like to start.

The Mortgagor represents and warrants that said Mortgagee is bound by all of the above described premises subject to the title, that the above described premises are free and clear of all liens or encumbrances, that the Mortgagor will defend the same so long as the same are in his name, and that the Mortgagor will forever warrant the above premises against the Mortgagee, his successors and assigns, and the State of Oregon and each person whom ever shall be in possession thereof, in any part thereof.

THE MORTGAGOR COVENANTS AND AGREES AS FOLLOWS:

1. That the Mortgagor will promptly pay the principal and interest on the indebtedness evidenced by said promissory note at the times and in the manner therein provided.

2. That this mortgagor will secure the Mortgaggee for any additional sums which may be advanced hereafter, at the option of the Mortgaggee, for the payment of taxes, or public assessments, hazard insurance premiums, options or other such purposes pursuant to the provisions of this mortgage, and also for any loans or advances that may hereafter be made by the Mortgagor to the Mortgaggee under the authority of Sec. 45-55, 1962 Code of Laws of South Carolina, as amended, or similar statutes, and all sums so advanced shall bear interest at the same rate or rates as that provided in said note unless otherwise agreed upon by the parties and shall be payable at the demand of the Mortgagor, unless otherwise provided in writing.

3. That Mortgagor will keep the improvements on the mortgaged premises, whether now existing or hereafter to be erected, insured against loss by fire, windstorms and other hazards in a sum not less than the balance due hereunder at any time, and in a company or companies acceptable to the Mortgaggee, and Mortgagor does hereby assign the policy or policies of insurance to the Mortgaggee and agrees that all such policies shall be held by the Mortgaggee should it so require and shall include loss payable clauses in favor of the Mortgaggee, and in the event of loss, Mortgagor will give immediate notice thereof to the Mortgaggee to repair or hold, and should the Mortgagor at any time fail to keep said premiums in force or fail to pay the premiums for such insurance, then the Mortgaggee may cause such improvements to be insured in the name of the Mortgagor and reimburse itself for the cost of such insurance with interest as hereinabove provided.

4. That the Mortgagor will keep all improvements upon the mortgaged premises in good repair, and should Mortgagor fail to do so, the Mortgaggee may, at its option, enter upon said premises and make whatever repairs are necessary and charge the expenses for such repairs to the mortgage debt and collect the same under this mortgage, with interest as hereinabove provided.

5. That the Mortgaggee may at any time require the issuance and maintenance of insurance upon the life of any person obligated under the indebtedness secured hereby in a sum sufficient to pay the mortgage debt, with the Mortgaggee as beneficiary, and if the premiums are not otherwise paid, the Mortgagor may pay said premiums and any amount so paid shall become a part of the mortgage debt.

6. That Mortgaggee agrees to pay all taxes and other public assessments levied against the mortgaged premises on or before the due dates thereof and to exhibit the receipts therefor at the offices of the Mortgaggee immediately upon payment, and should the Mortgagor fail to pay such taxes and assessments when the same shall fall due, the Mortgaggee may, at its option, pay the same and charge the amounts so paid to the mortgage debt and collect the same under this mortgage, with interest as above provided.

7. That if this mortgage secures a "construction loan", the Mortgagor agrees that the principal amount of the indebtedness hereby secured shall be disbursed to the Mortgagor in periodic payments, as construction progresses, in accordance with the terms and conditions of a Construction Loan Agreement which is separately executed but is made a part of this mortgage and incorporated herein by reference.

8. That the Mortgagor will not further encumber the premises above described, without the prior consent of the Mortgaggee, and should the Mortgagor so encumber such premises, the Mortgaggee may, at its option, declare the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.

9. That should the Mortgagor encumber the mortgaged premises by Contract of Sale, Bond for Title, or Deed of Conveyance, and the within mortgage indebtedness is not paid in full, the Mortgagor or his Purchaser shall be required to file with the Association an application for an assumption of the mortgage indebtedness, pay the reasonable costs as required by the Association for processing the assumption, furnish the Association with a copy of the Contract of Sale, Bond for Title, or Deed of Conveyance, and have the interest rate on the loan balance existing at the time of transfer modified by increasing the interest rate on the said loan balance to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase in interest rate as may be determined by the Association. The Association will notify the Mortgagor or his purchaser of the new interest rate and monthly payments, and will mail him a new passbook. Should the Mortgagor, or his Purchaser, fail to comply with the provisions of the within paragraph the Mortgaggee, at its option, may declare the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.

10. That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and the same shall be unpaid for a period of thirty (30) days or if there should be any failure to comply with and abide by any by laws or the charter of the Mortgaggee, or any stipulations set out in this mortgage, the Mortgaggee at its option may write to the Mortgagor or his last known address giving him thirty (30) days in which to rectify the said default and should the Mortgagor fail to rectify said default within the said thirty days, the Mortgaggee, may, at its option, increase the interest rate on the loan balance for the remaining term of the loan or for a lesser term to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase rate as may be determined by the Association. The monthly payments will be adjusted accordingly.

11. That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and should any monthly installment become past due for a period in excess of 15 days, the Mortgaggee may collect a "late charge" not to exceed an amount equal to five (5%) per centum of my such past due installment in order to cover the extra expense incident to the handling of such delinquent payments.

12. That the Mortgagor hereby assigns to the Mortgaggee, its successors and assigns, all the rents, issues, and profits accruing from the mortgaged premises, retaining the right to collect the same so long as the debt hereby secured is not in arrears of payment, but should any part of the principal indebtedness, or interest, taxes, or fee insurance premiums, be past due and unpaid, the Mortgagor may without notice or further proceedings take over the mortgaged premises, if they shall be occupied by a tenant or tenants, and collect said rents and profits and apply the same to the indebtedness hereby secured, without liability to account for anything more than the rents and profits actually collected, less the cost of collection, and an tenant is authorized upon request by Mortgagor, to make all rental payments direct to the Mortgaggee, without liability to the Mortgagor, until satisfied to the contrary by the Mortgagor, and should said premises at the time of such default be occupied by the Mortgagor, the Mortgagor may apply to the Judge of the County Court or to any Judge of the Court of Common Pleas who shall be resident or presiding in the county aforesaid for the appointment of a receiver with authority to take possession of said premises and collect such rents and profits, applying said rents, after paying the cost of collection, to the mortgage debt without liability to account for anything more than the rents and profits actually collected.

13. That the Mortgaggee, at its option, may require the Mortgagor to pay to the Mortgaggee, on the first day of each month until the note secured hereby is fully paid, the following sums in addition to the payments of principal and interest provided in said note: a sum equal to the premiums that will next become due and payable on policies of mortgage guaranty insurance (if applicable), fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged premises (all as estimated by the Mortgagor) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such premiums, taxes and assessments will be due and payable, such sum to be held by Mortgaggee to pay said premiums, taxes and special assessments. Should these payments exceed the amount of payments actually made by the Mortgaggee for taxes, assessments, or insurance premiums, the excess may be credited by the Mortgaggee on subsequent payments to be made by the Mortgagor, if, however, said sum shall be insufficient to make said payments when the same shall become due and payable, the Mortgagor shall pay to the Mortgaggee any amounts necessary to make up the deficiency. The Mortgagor further agrees that at the end of ten years from the date hereof, Mortgaggee may, at its option, apply for renewal of mortgage guaranty or similar insurance (if applicable) covering the balance then remaining due on the mortgage debt, and the Mortgagor may, at its option, pay the single premium required for the remaining years of the term, or the Mortgaggeee may pay such premium and add the same to the mortgage debt, in which event the Mortgagor shall repay to Mortgaggee such premium paid, with interest, at the rate specified in said promissory note, in equal monthly installments over the remaining payment period.
