 R.M.C.

This is to certify that on the 24th day of January, 1978, I surveyed the property shown on this plat; and that the property lines, walls and buildings are as shown hereon; that the buildings located on said property do not encroach or project on adjacent streets or property except as shown hereon; and that no adjacent buildings or walls encroach or project on said property. The structures on this plat are shown within a flood hazard area.
