

WHEREAS, the undersigned petitioners are citizens of the City of Greenville, South Carolina, and

WHEREAS, there is no connecting roadway existing at present between East Prentiss Avenue and Lupo Avenue, formerly called Goodrich Avenue, which has caused and now causes great inconvenience in travel and access thereto, and

WHEREAS, the undersigned petitioners believe that it will be of great benefit and convenience if a fence is moved so as to join East Prentiss Avenue and Lupo Avenue in order to facilitate travel and to grant access to property located in that vicinity, and

WHEREAS, the undersigned petitioners understand that there is now a petition to close that portion of Lupo Avenue connecting with Eagle Avenue, and the undersigned petitioners will have no objection thereto if East Prentiss Avenue is connected with Lupo Avenue,

NOW, THEREFORE, the undersigned petitioners do hereby respectfully petition the City Council of the City of Greenville, South Carolina, to authorize the construction of a suitable roadway connecting East Prentiss Avenue and Lupo Avenue as soon as practicable.
