the proceeds of the above-mentioned escrow account. Due to the prompt payment by the Defendant, the verdict in this case has never been reduced to a recorded judgment, and this matter has caused some confusion in the Office of the Clerk of Court. Also, inasmuch as the original mechanics lien was introduced as evidence by the Plaintiff during the course of the trial, it is not presently available to be used in the recording of its satisfaction.

Therefore, upon the motion of James M. Allison, the attorney for the Plaintiff in this matter, it is ordered that the jury's verdict in this case be entered as a matter of record to reflect a judgment in favor of the Plaintiff in the amount of One Thousand One Hundred Twenty and 00/100 (\$1,120.00) Dollars, and it is further ordered that this amount be marked as having been paid and satisfied in full.

It is further ordered that the mechanics lien recorded in the RMC Office for Greenville County in Mechanics Lien Book 17 at page 1169 be marked satisfied and cancelled of record.

And it is so ordered.
