Vehicle Appraisal Form

This form is used to appeal the taxable value of a vehicle by an appraisal of property **from a dealer of the make in question**. The appraisal must be done by the dealer of a vehicle and not Carmax or other general dealers. An appeal must be signed by both the dealer representative and the owner, and received by the tax due date (last day of the month in which a tag expires). Failure to do so constitutes an abandonment of the appeal. You may send this form via fax or US Postal Service to the Auditor's Office.
