My interest in serving on the Alcohol and Drug Abuse Commission is:

Alcohol and drugs are a major plague on our society nationwide. They are responsible for the destruction of both individuals and families alike. After living here in Greenville for almost 7 years, I have reached a time that I am able to serve on this board. It would be an honor for me to work together with the other members in order to ensure Greenville continues to proactively address the needs of our community.

Describe your understanding of the position for which you are applying:

I understand that I will be a part of a collective team with the same goal. I would humbly state that I would be part of something that not only addresses the current needs of the county in this area but also proactively plans for the future growth

of Greenville.

Describe your strengths or skills that would positively contribute to the Alcohol and Drug Abuse Commission:

Interpersonal communication that came from a career of serving the community in emergency services which has furthered my knowledge and ability to work with individuals from all ethnicities and backgrounds. I am very committed to service work and realize that we all need to take an active role to ensure our city remains as desirable as it is. My attention to detail, humbleness, and mantra of faith, family & work are strengths that I would add to the commission.

My community topics of concern that relate to the Alcohol and Drug Abuse Commission are:

Homelessness, DUI's, education, and treatment centers. Rehabilitation programs along with increased funding for all the first responders that are dealing with issues related to alcohol and drug abuse on a daily basis. Investments in our police, fire, & EMS systems that benefit not only the employees but their families as well.
