My interest in serving on the Greater Greenville Sanitation District Commission is:

For personal and professional development:

I've resided in district# 25 area for more than 25 years. My desires include being more active in the problems, concerns, continuous development and sustainability that affect where I live. I want to take the initiative and be proactive in business affairs related to my community and serve in that capacity> I want to become a voice for district 25.

I've served my country for 33 years at which now I am prepared to serve and represent my community.

Describe your understanding of the position for which you are applying:

My understanding of becoming a commissioner is to provide ideas and to support ideas that promote growth within the organization. This would include but not limited to its financial oversight: budgeting (how and where money is spent within the organization) raising revenue, goals/strategic planning, managing finances and ensuring performance goals are obtainable and met.

Describe your strengths or skills that would positively contribute to the Greater Greenville Sanitation District Commission:

I am currently employed with Woven Electronics with 38 years of service. As a senior member of my work group, I have contributed to training employees in my department. It has been an honor to mentor newcomers to the team. I am dedicated, goal oriented & motivated to learn. (Expected Retire Date 12/2024)

As previously stated, I served in the US Army. Retired SFC (E-7). I 'm confident that my skillset/training (physical, tactical, technical and leadership) has prepared me for the position

My community topics of concern that relate to the Greater Greenville Sanitation District Commission are:

Housing Development is growing. How does GGSC plan to service all the new customers with all this growth? Are there enough employees and equipment to accommodate the influx of homes/customers?

How is GGSC addressing missing trash and set outs in D-25 since they are currently using the new side arm trucks? Some areas in our community takes weeks to get cleaned up
