Except as specifically stated on this plat, the survey does not affect any of the following: any rights of way, easements, or other interests in the form of existing structures, buildings, or other improvements; any rights of way, easements, or other interests in the form of existing structures, buildings, or other improvements; and any other rights that have been acquired and current on the date of this survey. These rights shall not be considered as extinguished by this survey, unless otherwise indicated on this plat.

There is a 5' setback and utility easement along each side of all lots and feet of lines and a 10' easement along all utility of lines.

The plat has been prepared and is subject to the provisions of the Uniform Land Use Review Procedure Act, which shall apply to all Land Use Review Activities. Each plat shall be subject to the provisions of the Act. The plat is hereby approved and approved for final plat.

Boundary Drawn From Plat Book 44-X Page 28 A.
