SUBDIVISION NAME

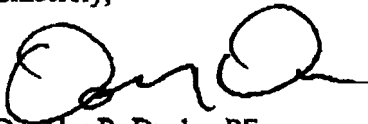

CHANGE

Dear Ms. Gordon:

Per our conversation, this letter is to request that the above reference project (West Lee Estates) name be changed to **Arbor Glen**. We also are requesting that the planned new drive for the subdivision be called **Arbor Glen Court**. Please let me know if we need to submit an alternate road name. Also as we discussed, if the road name is approved could you please contact the 911 office with the new name.

If you have any question please feel free to contact me at 864-505-7837.
