Ms. Webb

Re: Lots 67A, 68

Subject: Drainage Easement Abandonment Application

Dear Ms. Webb,

Attached is the application for the drainage easement abandonment and the drawing showing the new easement.

Since the drainage pipe belonged to DOT, I applied for a permit from them and presented a plan to abandon the existing drainage and install a new piping system to carry the water. As a matter of fact, I expected them to do so. But at any rate, they reviewed the plan and approved it. Based on this permit, I already installed the drainage piping. This drainage system does not affect my neighbors because the water is carried from one end of my property to another and goes back to the same drainage as it used to.

If you have any questions, please feel free to contact me.

Thanks
